

## **FIXED ON JESUS** **And the Gift of Peace**

The Holy Spirit like a dove is looking for a safe place to land to make a nest so eggs can be laid and be hatched safely.

Meaning The Father wants to work in us and through us do His will. (To bare fruit and multiply His Kingdom)

### **Phil 2:13 KJV**

For it is God which worketh in you both to will and to do of his good pleasure.

The measure we give Him is the measure He'll work with. Even so, when He does work through us, let's always pounce upon that opportunity to give Him the Glory, keeping selfish pride from stealing our Heavenly treasure. We want our rewards secured in Heaven. Amen?

### **Rom 15:18**

For I will not venture to speak of anything except what Christ has accomplished through me to bring the Gentiles to obedience—by word and deed,

That being said, what I have found what the believer needs to allow the Father to work in and through us is to get radical on removing the things in our life that are causing us unrest, if it is within our power. For myself the biggest and hardest to go was a habit I picked up from someone and although they are no longer in my life the habit stuck: Needing to watch a movie or show while I eat dinner. The Spirit was patient and persistent with me but nudging me ***until I chose to fully detox from the world.*** Watching violence or the things that I myself have died to is a real tell. The Spirit told me, "What you see is what you get".

### **The Light of the Body "Eyes are Portals"**

#### **Matt 6:22**

The light of the body is the eye: if therefore thine eye be single (good or Godly), thy whole body shall be full of light.

Note: Ready for the Dove!

### **Asking in Truth**

We as believers are wanting the Father to give us something when....the "ask", could be, "Father reveal to me through Your Spirit of Wisdom what I am doing that is keeping the Dove from making that nest to lay some eggs."

We receive: focus, learn, and remember better when we are at Peace. The Father needs our cooperation, because He does not bless rebellion, or put band aids on wounds that need cleaning first, lest a greater infection might form, like having a seared conscious. A seared conscious is the breeding ground for iniquity.

### **We were given a great gift of Peace:**

#### **Isaiah 26:12**

Aramaic Bible in Plain English

LORD JEHOVAH, you shall keep peace for us, because you have prepared for us according to all our works.

### **John 14:27 the NLT hit it perfectly**

"I am leaving you with a gift—peace of mind and heart. And the peace I give is a gift the world cannot give. So don't be troubled or afraid.

Giving Place for His Peace

What helps this cause is that we offer up to Him meats worthy of sacrifice. It is up to us how long it takes to surrender everything. Why is it so hard to surrender ALL? Maybe ask the Father for Wisdom on it because we all work out our own salvation with fear and trembling and careful observation.

My opinion on this is from my past and recent journey to stay... **Fixed on Jesus**. Not just for a particular breakthrough or to remind the Father I am His like in my past but to stay fixed on Jesus, **so I can get truly fixed**.

Until a Saint can see this, The Father has so much long-suffering and patience. I want to be like that for the people in my life and ministry.

To be like someone it's good idea to be with them as much as possible.

For the right motivation, just remember these daunting Words:

### **Rom 14:23**

New American Standard Bible

But the one who doubts is condemned if he eats, because his eating is not from faith; and whatever is not from faith is sin.

Note: That goes for all the senses.

### **The Great Test**

What has the Lord been nudging you with lately that would open more time with Him? Or what do you have in your life that is not edifying your spirit and it's something you do NOT want to give up. You could simply fast on *that* one thing for a week and replace it with alone time with the Lord to see how it goes. By doing this, one can find out if they are actually addicted to the world. I was, with shows during meals, albeit clean ones; I was picky, but still full of the things I have died to. When I fasted for a week; even started a day early, I was shocked how hard it was so I went another week...then I it happened, I broke my fast thinking it was fine. It was not fine, it was compromise. So now I have decided to stay fixed on Jesus for as long as His Grace gives the strength to do so, and be watchful for tricky replacements. The day I wrote this I kept the big screen off all the whole day and night...best day EVER.

The woman in MARK 5:28 was fixed on Jesus and got "fixed" on Jesus. Made well.

She also "spoke" her faith.

### **Mark 5:28**

King James Bible

For she said, If I may touch but his clothes, I shall be whole.

On the contrary:

Peter lost his fix on Jesus and starting sinking.

Aramaic Bible in Plain English

### **Matt 14:30**

But when he saw the wind boisterous, he was afraid; and beginning to sink, he cried, saying, Lord, save me.
